The Old Mill

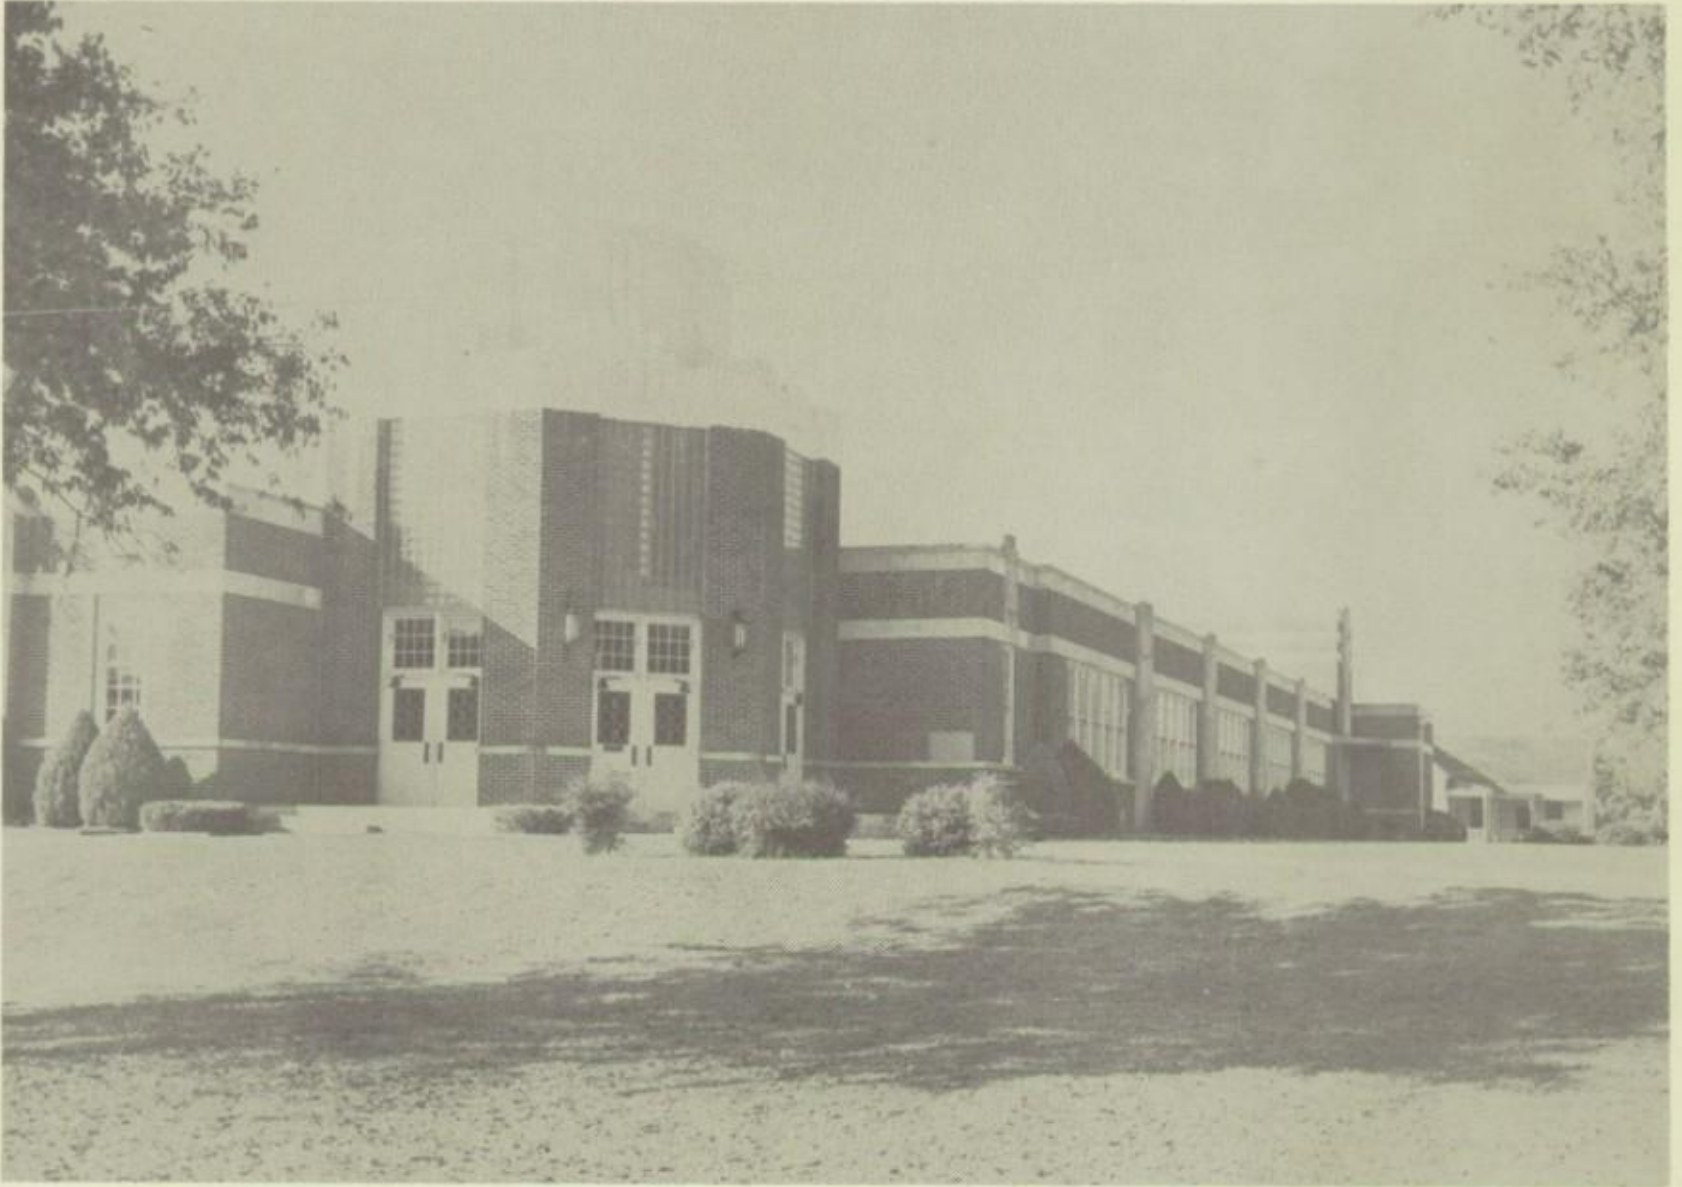

PUBLISHED BY THE SENIORS

of

CLIFTON HIGH SCHOOL

Clifton, Texas

Clifton Public School

Foreword

We bring to you in this book our last remembrances of our high school life. In its pages, we bring both our work and our achievements in one volume. Since we must depart and leave with the other classes our school and its duties, we give to you this volume of "The Old Mill" by which you may remember us and our dear school days.

The Staff

Dedication

To a man who has won great respect and admiration
and has taught fine sportsmanship to many boys dur-
ing his years of coaching, to a man who set high
standards for all the boys who played under him, to
Arthur Bronstad, our Coach, we dedicate this "Old
Mill" of 1951.

Superintendent's Message

Students, Graduates, and Friends:

Through the courtesy of the Old Mill Staff, we extend greetings to students, graduates, and friends of Clifton High School.

We feel that this edition of the "Old Mill" will be a source of great pleasure to you. Long after you have gone from Clifton High School and memories have begun to fade in details, the "Old Mill" will serve you as link between you and your High School. May these memories not only be pleasing and amusing but also of intellectual and moral significance as well.

Sincerely yours,

Kent Appleby
